

**Hershey – University Park shuttle service**  
**New pass system effective Monday, April 13, 2009**

- Shuttle service is provided to enable students, faculty, and staff in residence at one campus to participate in official University research, administrative or teaching and learning activities at another campus. The shuttle is not to be used for personal transportation or for medical appointments.
- Every rider must show a valid Penn State ID in order to ride the shuttle. Holders of faculty and staff ID cards require no other validation to ride the shuttle.
- **Student ID card holders must also have a valid shuttle pass, in addition to the Penn State ID.**

Shuttle passes are available,

- **At University Park:**  
Megan Matthews  
201 Life Sciences Bldg  
814-863-3650  
[mam75@psu.edu](mailto:mam75@psu.edu)  
Pick up between 8:00 am – 4:30 pm
- **At Hershey:**  
Kathy Simon  
C1712  
717-531-8892  
[ksimon@hmc.psu.edu](mailto:ksimon@hmc.psu.edu)  
Pick up between 8:00 am – 4:30 pm

**To obtain a re-usable student pass**, the student's academic advisor, program director or laboratory mentor should send an email to the campus contact listed above, identifying the student's research, classroom or administrative activity that requires travel between campuses. The pass can then be picked up in person at the location and during the time listed. Passes are non-transferrable. Please keep the pass, as it will remain valid for continued use until further notice. You do not need to obtain a separate pass for each trip.

- Seat availability is on a first-come, first-served basis. Riders who travel one way in the morning will have first priority for return trips.

Questions pertaining to the new student shuttle pass can be sent to the appropriate contact, depending on your location, listed above.

Please send all other general shuttle questions to [upshuttle@psu.edu](mailto:upshuttle@psu.edu).
