In accordance with RA21, the Corporate Controller has established the following as the inflation factor for the period July 1, 2019 to June 30, 2020:

3.0% for tuition
2.5% for all other costs

Policy RA21 also states the following: “Variation from the approved rates is allowable when: a. the agency requires the use of a lower factor; b. documented historical data supports the use of a higher rate; or c. other significant changes that affect cost can be anticipated with accuracy, e.g., faculty promotions in rank.”
