Dear Mr. Murawski,

Enclosed is a copy of the Contractor Purchasing System Review (CPSR) report conducted virtually from November 15 – 18, 2022. Based upon the results of this review The Pennsylvania State University's Purchasing System is considered adequate to protect the Government's interest in accordance with 2 CFR 200 and DFARS 252.244-7001.

Approval of the University's Purchasing System is granted pursuant to FAR Subpart 44.3, and applies to all Federal Government contracts to the extent that cross-servicing arrangements exist. System approval shall extend through January 31, 2025, unless extended by the ACO. Should any significant change(s) occur within the system this approval may be withdrawn at the discretion of the ACO.

This approval may waive some of the consent to advance notifications requirements for certain subcontracts per subcontracting clause FAR 52.244-2 and Agency supplements.

Please direct any question to me (603) 834-5332 or email Christopher.R.Walke5@navy.mil.
